SSG Sagen Maddalena Wins Silver at Paris 2024 Olympic Games

Congratulations from the members of the MMA

CHATEAUROUX, France — Sagen Maddalena won the silver medal in women's 50-meter rifle three positions at the Paris 2024 Olympics. Maddalena earned a place in the finals of the top eight competitors after setting an Olympic qualification record with a score of 593-45x. China's Qiongyue Zhang followed close behind with a 593-40x. Once in the Final, the U.S. Army Marksmanship Unit Soldier took the lead after the first five kneeling shots with a 52.2 and held her first-place lead after 10 shots with 104.4. Austria's Nadine Ungerank followed with a 104. Moving into the prone position, with 15 shots in, the Groveland, California native slipped down to fourth with a 155.9 as Switzerland's Chiara Leone took the lead with a 156.2. Ungerank and Zhang followed in second and third. However, after another five shots, Maddalena took the lead again with a 208.2, with China just .1 away. Maddalena spread the gap after 25 shots with a score of 261.2 while Zhang held second with a 260.4. With 30 shots into the final, Maddalena continued to lead with 314.0 points. After five shots in the standing position, Maddalena slipped down to fifth with a 361.8 while Zhang moved into first place with a 364.7. Norway, Switzerland and Austria followed respectively. With five more shots into the standing position, the Fort Moore Soldier moved up to fourth. By shot 42, Maddalena had taken the lead again with 433.6 points, a .2 lead over Leone.

MMA President's Report—Ron Plumb

Greetings fellow members,

This edition of the MMA Times finds AMU staff in the process of returning to their now-renovated headquarters building and gearing up for a Change of Command Ceremony next month. Speaking of change of command, as LTC Mills approaches the completion of his tenure as AMU Commander, I'd like to express my sincere appreciation to him for his willingness to openly share ideas and experiences during those instances when we discussed ways MMA membership could be of increased benefit to current AMU soldiers.

This edition also contains an article about a soldier from the International Rifle Team, SSG Sagen Maddalena, who was able to add an Olympic silver medal to the storied history of the AMU! This edition also contains an In Memoriam section for two central figures in the history of the AMU, MSG (Ret) W.O Harden and MSG (Ret) Burl Branham.

In addition, recently retired Executive Officer, LTC (Ret) Bob Aylward, has authored an interesting article that gives you a sense of the many contributions he is responsible for during his active-duty time and federal service at the AMU.

Exciting News!!!! We are also using this edition to announce an exciting development when it comes to cementing the legacy of the AMU. A collaborative effort involving the MMA, the AMU and the National Infantry Museum (NIM) has recently begun and will result in a permanent AMU exhibit at the NIM

Permanent AMU Display at the National Infantry Museum

An initial planning meeting was recently held at the National Infantry Museum (NIM) at Fort Moore to develop the overall concept. The NIM is very interested in telling the storied history and current mission of the AMU!

A display unveiling ceremony is anticipated to occur in conjunction with the next MMA Reunion in Fall of 2025.

The idea of a display originated in 2019 with the donation of MAJ (Ret) Ernie Vande Zande's prone rifle and associated objects from his estate. He fired a perfect 600 in the Men's English Match at the 1981 Championship of the Americas, setting the world record. The display was to be unveiled at the MMA Reunion in October 2020. However, due to COVID, the reunion was cancelled, and the display was put on hold.

Recent events have rekindled the interest of a display on a greater scale. The exhibit will include more than just historically significant firearms and memorabilia. The AMU training mission and other contributions to the Army mission will be a focus, such as the Sniper school operated by the AMU during the Vietnam War. Current accomplishments displayed would include SSG Sagen Maddalena's winning of the silver medal in women's 3 position at the 2024 Olympics. In addition, LTC Lones Wigger's family is currently working with museum to display their father's Olympic and World Championship rifles.

Request for Artifacts - If anyone has a historically significant firearm and/or shooting memorabilia, the NIM may be interested in it. I can put you in touch with the museum's Curator if you are interested.

Request for Donations - All displays in the museum are custom-made and are required to meet government security standards. The MMA has offered to purchase the display cases which will serve as the focus of the exhibit.

We are seeking to raise \$25,000 to help fund the museum display project. The MMA has worked with the NIM to establish a special fund to receive tax deductible donations. Your donation can be made directly to the NIM Foundation, specifically for the AMU exhibit. Any gift, named or anonymous, will receive a Tax Free Certificate for the amount of the donation.

Online donations can be made at:

<https://app.etapestry.com/onlineforms/NationalInfantryFoundation/AMUDisplayCase.html>

Donations by check should be made out and mailed to the following address. Note specifically that your donation is for the "AMU Exhibit only".

National Infantry Foundation

1775 Legacy Way

Columbus, GA 31903

Please be as generous as you can be.

I hope you are excited about this chance for the AMU to occupy significant space in the National Infantry Museum. This is indeed a unique opportunity to establish a legacy for the AMU and MMA, and to provide a permanent display for "The Home of Champions"!

****Special thanks to MAJ (Ret) Steve Goff who has agreed to represent the MMA in the collaborative meetings involving NIM and AMU.***

USAMU Commander's Report

Fellow MMA Members,

Writing this is bittersweet as it will be my final contribution to the MMA Newsletter as the Commander of the U.S. Army Marksmanship Unit, but I am proud to recognize several incredible accomplishments (too many to list them all) from the summer season.

Please join me in congratulating and celebrating the following:

SSG Sagen Maddalena – Silver Medalist at the 2024 Paris Olympics in Women's 50m 3 Position event and an Olympic record in the qualification round.

SSG David Bahten – President's Hundred Rifle Match Champion.

SSG Christopher Hudock – National Trophy Pistol Aggregate Champion.

Instructor Training Group – Successfully executed a by name request to train Armenian Partners in support of U.S. Army Europe's Eagle Partner Exercise.

1SG Alexander Roysden – published article, Enhancing Marksmanship Training in the Indo-Pacific Region: A Strategic Guide, in the Infantry Magazine.

SFC Kulani Lakanaria – had several of his photos from the 2024 Paris Olympics picked up on various platforms to include Army.mil and Defense.gov and many others to include international sites.

Mr. Grieve / Mr. Piche / Mr. Throlson / Mr. Wilson / SSG Clegg – provided gunsmith support to over 1000 competitors and students at the Small Arms Firing School and National Matches.

As mentioned, my time as commander is coming to an end as I relinquish command on 03 October to LTC Christopher Thielenhaus. I would like to thank the MMA for its continued support to the AMU and I look forward to taking my place in your community as a former AMU guy. A special thanks to Ray Carter and Ron Plumb for their leadership of the MMA. I appreciate the discussions and brainstorming sessions I had with each of you and remain committed to the initiatives we started together.

I also owe a debt of gratitude to the Soldiers and Civilians of the AMU. These men and women epitomize the concept of the quiet professional, always striving to be the best representation of the AMU and the U.S. Army. I am exceptionally proud of their efforts to compete and win on the national and international stage, provide firearm and ballistic solutions to the Army's research and development initiatives, and improve marksmanship across the Department of Defense through intensive training opportunities. I am forever honored to have stood in your company and called you teammates. Thanks!

We are, as always, the Home of Champions,

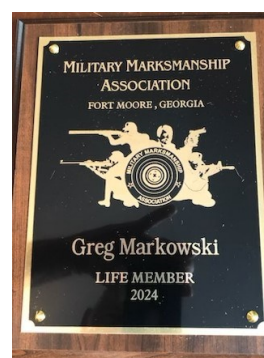

Casey

Commander

U.S. Army Marksmanship Unit

Welcome to new MMA Life Member—Greg Markowski

From the editor: Some of you, not naming any names, need to renew your memberships. Consider it a gift to yourself! You get to read a great newsletter and attend a fantastic reunion. Give it some thought—Please.

AMU Exhibit Concept

What: The MMA Veterans Association approached the National Infantry Museum about sponsoring a permanent exhibit about U.S. Army Marksmanship Unit and its role for the war fighter. The MMA Association will support the costs for the case and installations and the AMU unit will have to assist NIM Curators with storyline and objects development.

Exhibit Concept: The case layout will represent the two missions of the AMU. One will focus on the Competitive Shooting (Rifle, Pistol, & Shotgun), while the other side will highlight the unit's mission to support marksmanship and R&D for the Army. A Kiosk in the middle will highlight notable AMU shooters, past & present. The exhibit should be modular to support changes in represented shooters, one of which needs to be a woman shooters.

Educational Takeaways:

- Exposure to the dual roles and missions of this unique U.S. Army units.
- Exposure to the role that Army Soldiers play in national & international competitive shooting.
- An appreciation of the opportunities afforded to Soldiers selected for this elite unit and how might a Soldier seek out these same opportunities.
- Exposure to the role that the AMU as in advancing Soldier marksmanship skills & lethality across the Army.
- Historical understanding of some past and present competitive shooters accomplishments.

National Infantry Museum Display Case Concept

This is the concept of the AMU Exhibit with two large display cases. In between the cases would be an interactive kiosk with a TV screen. Visitors will be able to scroll through the biographies of accomplished AMU marksmen, history of the unit and the current mission.

This initiative is a combined effort of the Army Marksmanship Unit and the Military Marksmanship Association designed to keep an enduring legacy of all the soldiers and civilians working to meet the mission and goals, past, present and future, of a GREAT unit. **Please consider this when you are looking to give a TAX FREE DONATION!**

Donations by check should be made out and mailed to the following address. Note specifically that your donation is for the “AMU Exhibit only”.

Research and Article by Bruce Meredith, MMA Historian

OLYMPIC SHOOTING MEDALS RECAP SINCE 1956 FOR THE USA

From 1956, when the AMU was formed, to 2024, there have been 630 Olympic shooting medals up for grabs. Minus the 21 in USA boycotted 1980 Moscow, there are 609 available for the USA, who has won 59, which is 9.68 %. The AMU 29, including those 9 who refined their skills at AMU, but were reserve or civilians when they won their medals, is 49.15 % of USA. Without those 9 ex AMU, the AMU is 33.89 % of the USA. All interesting but unofficial, of course.

Someone smart with a computer could do a strip of Olympic shooting medals by nation, but a brief manual count shows the nations thought would prevail. The juggernaut of USSR/Russia, at 71 medals + possibly another 15 by selecting from Russian looking names of United Team and Independent Olympic Athletes, shooters from nations who were not authorized to enter.

China, coming late to the sport, but bringing their A team, has 76. Germany has 47. Italy, primarily with the shotgun, has 43. Korea has 24. Switzerland, a nation of shooters, surprises with only 9. Romania has 10 and Bulgaria, Poland and others were not tabulated.

For the USAMU, the shotgun team is a steady source of medals (12). In previous years, the International Rifle Team was the go to team for medals (15). But for the last 40 years, save for Anti in 2004, they have had a blank slate. Maddalena saved them from the dry spell.

1956 Melbourne – 21 Medals, USA won none

1960 Rome -18 Medals, USA won 2

Gold Bill McMillan USMC Rapid Fire Pistol

Silver James Hill USMC 50 prone

1964 Tokyo -18 Medals, USA won 7

Gold Gary Anderson NGUS/AMU 300 3x40

Bronze Martin Gunnarsson AMU 300 3x40

Gold Lones Wigger AMU 50 3x40

Silver Lones Wigger AMU 50 prone

Bronze Tommy Pool AMU 50 prone

Silver Frank Green USAF Free Pistol

Bronze William Morris AMU Trap

1968 Mexico City – 21 medals, USA won 3

Gold Gary Anderson NGUS/AMU 300 3x40

Silver Jack Writer AMU 50 3x40

Silver Tom Garrigus Civ Trap

1972 Munich -24 Medals, USA won 4

Gold Lones Wigger AMU 300 3x40

Gold Jack Writer USAR/AMU 50 3x40

Silver Lanny Bassham AMU 50 3x40

Silver Victor Auer USAR/USAF 50 prone

1976 Montreal – 21 Medals, USA won 3

Gold Lanny Bassham AMU 50 3x40

Silver Margaret Murdock USAR/AMU 50 3x40

Gold Don Haldeman USAR/AMU Trap

1980 Moscow 21 Medals, USA boycotted

1984 Los Angeles- 33 Medals, USA won 6

All Soviet related nations boycotted

Gold Patricia Spurgin Civ Air Rifle

Silver Ruby Fox USAR/Civ 25 Sport pistol

Bronze Wanda Jewell AMU/USAR 50 3x20

Gold Edward Etzel USAR/AMU 50 prone

Gold Matthew Dryke AMU Skeet

Bronze Dan Carlisle AMU Trap

1988 Seoul – 39 Medals, USA won

Silver Eric Buljung AMU Air Pistol

1992 Barcelona -39 Medals, USA won 2

Gold Launi Meili Civ 3x20

Silver Robert Foth Civ 3x40

1996 Atlanta – 45 Medals, USA won 3

Gold Kim Rhode Civ Double Trap

Silver Josh Lakatos Civ Trap

Bronze Lance Bade Civ Trap

2000 Sydney – 48 Medals, USA won 3

Gold Nancy Johnson Civ Air Rifle

Bronze Kim Rhode Civ Double Trap

Bronze J. Todd Graves AMU Skeet

2004 Athens - 51 Medals, USA won 3

Silver Mike Anti AMU 3x40

Gold Matt Emmons Civ 50 prone

Gold Kim Rhode Civ Double Trap

2008 Beijing - 45 Medals, USA won 6

Bronze Jason Turner Civ Air Pistol

Silver Matt Emmons Civ 50 prone

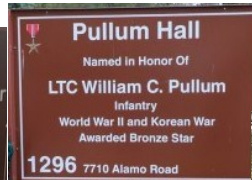

Gold Walton Eller AMU Double Trap

Gold Vincent Hancock AMU Skeet

Silver Kim Rhode Civ Skeet

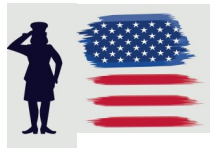

Bronze Corey Cogdell Civ Trap

The Ranges Where History Was Made

Taps Present Arms

MSG (Ret) William Odessa Harden, age 89, passed away peacefully on July 2, 2024 in Columbus, Georgia. Born on October 3, 1934, in Anguilla, Mississippi, William, fondly known as “W.O” or “Willie O.”, lived a life dedicated to his family and his country.

William is survived by his beautiful bride Arleen, with whom he shared 60 years of marriage. He is also survived by his two sons, Will (Debbie) of Sharpsburg, Georgia, and Wesley of Destin, Florida; his daughter, Lori of Powder Springs, Georgia; as well as four cherished granddaughters. He was so very proud of and instilled a very strong work ethic in his descendants. He would often boast about his children and grandchildren to anyone that would listen.

After graduating from Anguilla High School, he was drafted into the U.S. Army in 1957, marking the beginning of a distinguished military career where he began shooting the service rifle for the 82nd Airborne Division. William’s talent and dedication saw him transfer to Europe, where he competed for the 8th Infantry Division in the 1959 U.S. Army Europe Small Arms Championship, earning the Distinguished Rifleman Badge and a place on the U.S. Army Europe Rifle *Team*.

William served a tour in Vietnam from 1967 to 1968, acting as the noncommissioned officer in charge of in-country movements at Long Bien. Upon his return, he was reassigned to the U.S. Army Marksmanship Unit (USAMU) from 1969 to 1973, serving as a sniper and service rifle gunsmith. W.O. also served as chief and gunsmith for the 8th Army Marksmanship Unit at Camp Casey, Korea, from 1973 to 1974. From 1975 until his retirement from the Army in 1982, he was in charge of the USAMU Custom Firearms Shop at Fort Benning, then was hired as a Civilian in the same role, where he worked until his retirement at 75 years of age in 2009.

MSG (Ret) Burl Branham

Burl Branham was born on January 24, 1931, in Davisport Kentucky. He joined the United States Army on January 8, 1948, as a private and retired as a Master Sargent on February 28, 1977. After his retirement, he continued to serve as a DOD Civilian International Shotgun coach for the US Army Marksmanship Unit from 1977 until November 1, 2000. He died September 11, 2024.

During the Korean Conflict Branham rose to the rank of Master Sargent in 1951. During the Korean Conflict, he fought from Pusan to the Yalu River throughout Korea.

Continued from Page 9

Branham was assigned to the 3rd Infantry Division 7th Infantry Regiment Company E. During combat in the Chorwon Valley Hill #1320, Branham earned the Silver Star for gallantry in combat. Branham single handedly destroyed 3 Chinese Machine Gun nests with a 57 recoilless rifle killing all combatants clearing the final obstacles to the U.S. for securing Hill #1320. Branham's unit also is responsible for clearing and securing the roads so that U.S. Marines could be withdrawn from the Chosen reservoir. The 7th Infantry Regiment faced the Chinese in heavy combat as the U.S. forces withdrew from the Chosen Reservoir to the port at Hungnam. Awards and Decorations earned during the Korean Conflict included the Silver Star, Combat Infantry Badge, Korean Service Medal, Purple Heart with Oak Leaf Cluster, Army of Occupation Medal, Good Conduct Medal, and the Bronze Star. After the Korean War MSG Branham was assigned to Camp Pickett, Virginia and Augsburg, Germany with the 43rd Infantry. In 1954 MSG Branham was assigned to the 3d U.S. Infantry Regiment "The Old Guard" as an Honor Guard Platoon Leader. Following the Old Guard assignment MSG Branham was stationed to Korea with the 7th Infantry Division 69th Armor Battalion. In 1958 MSG Branham returned to the 3d U.S. Infantry Regiment "The Old Guard" assigned to the Headquarters and Headquarters Company 1/3.

MSG Branham began his shooting career in 1959 while assigned to the "Old Guard". MSG Branham was the high individual shooter and part of the winning team 1959 Finnesy Award team which is awarded annually to the 3rd Infantry company team with the winning score. MSG Branham continued shooting as a member of the MDW (Military District of Washington) rifle team as well as the 24th Infantry USAR rifle team. In 1960 Branham was awarded the Distinguished Rifle-

man Badge as well as the President's Hundred Tab.

In 1961 Branham was assigned to the 3d U.S. Infantry Regiment "The Old Guard" for the third time to the Headquarters and Headquarters Company 1/3. After completing his service with the Old Guard, he was assigned to the 2nd Division Rifle Team in 1962 at Ft Benning Georgia. In 1963 Branham was assigned to the 3rd Army rifle team where he was a shooter as well as a coach. In 1964 MSG Branham was stationed in Hawaii where he shot with the USAPAC Team which won the National Trophy Rifle Championship. In 1966 MSG Branham was deployed to Vietnam with the 25th Infantry Division with the 69th Armor Battalion, the first armor battalion assigned to the Vietnam war by the Department of the Army. MSG Branham's second tour in the Vietnam War was to the Americal Division Sniper School in Chu Lai where he served as the chief instructor for Army snipers where snipers were trained in combat settings and then assigned to combat battalions. Awards and Decorations earned during his two tours in the Vietnam War include the Vietnam Service Medal with 3 Bronze Stars, National Defense Service Medal with 1 Oak Leaf Cluster, Army Commendation Medal, Vietnam Campaign Medal.

In 1967 Branham returned to shooting with the 3rd Army Service Rifle Team. In 1968 Branham began coaching the USAMTU Service Rifle Team. In 1969 Branham coached the Service Rifle Team to a National Championship setting a National Team Record. In 1970 Branham shot and coached the U.S. Team at the Palma Matches in Bisley, England. MSG Branham continued to coach the USAMTU Service Rifle Team to 3 other National Championships in 1972, 1973, and 1974.

In 1974 Branham began coaching and shooting with the USAMU Shotgun Team until 1977 when he retired from the U.S. Army. In 1978 Branham continued his federal service as the coach for the U.S. Army Marksmanship Unit Shotgun Team. During his 22-year tenure as the shotgun coach Branham coached five World Champions, more than thirty National Champions, and Eighteen Olympians. These included four Olympic medalists: SGT Donald Haldeman 1976 Olympic Trap Gold Medalist; SSG Matt Dryke 1984 Olympic Skeet Gold medalist; SSG Daniel T. Carlisle 1984 Olympic Trap Bronze medalist, and SFC Todd Graves, 2000 Olympic Skeet Bronze Medalist. Branham also coached five world champions, nine Pan American Games medalists, two World cup Final Medalists, and more than thirty National Champions.

In 2008 Branham was inducted into the U.S. Army Marksmanship Hall of Fame for his accomplishments both in Service Rifle and for his accomplishments as the USAMU Shotgun Coach.

LTC (Ret) Robert W. Aylward—Long time AMU Liaison

I retired from active-duty June 1993. My last assignment was the USAMU XO. I was selected to transfer from the military and become the civilian deputy by COL Johnson and was to start immediately. The problem was for field grade retirees you had to wait 6 months before you could come back as a GS AND you had to forfeit half of your retirement pay. I came back to USAMU Dec 14th, 1993, as it took 5 ½ months to get an exception to the hiring policy but I did lose half of my retirement each month until President Clinton changed the law. As the LTC XO I had been tasked by COL Vowell to rebuild the physical infrastructure and ranges. COL Johnson agreed that creating a modern complex was a priority as well as building a team. I had been the civilian deputy for over 30 years when I retired in 2024 and I believe we rebuilt all the facilities other than the headquarters (Sharpe Hall) failed on that one. NOTE: the original cost to replace the HQ and firearms shop in 1993 was \$9m; today more than \$40m. Can you say inflation.

We resurrected all the ranges thanks to a great team of Ft Benning/Moore personnel and Bill Moran the USAMU range maintenance chief. Takes a team to get funding, designs and supervise construction on 9 ranges and support facilities.

Was privileged to be involved in the creation, naming and or rededication of Sharpe Hall, Easley Range, Parks Range, Pool Range, Krilling Range. Pullum Hall, Wigger Hall, McHugh Field. An honor to have had a hand in those projects.

To build a team takes the right people and the smartest thing I did as the deputy was figure out that if I hired the right people for the primary staff positions, my job would be so much easier. I'm sure I will leave most of those folks out of this paragraph, so please don't be offended if you're not listed. You all done great. But; I was fortunate to hire Wanda Jewell as the S1 and S4. She was the prime mover in getting the instructor/shooter and gunsmith positions to be stabilized and allowing the USAMU Commander the authority to promote up to the grade of SFC. A monumental achievement. When Wanda was stolen by USAS, Hector Silva became the S1 and finalized the stabilization rules and has been a superior S1 for decades with Hiram Rodriguez our S4; both are still on board bringing knowledge and stability to these positions. During annual inspections they can't say "well it was that last guys fault" since they were the one that stood the inspection previously. Ms. Matlock has been our budget analyst for years and has been superior. Ms. Lunato, Jim Steers and others have done great things as the PAO as well as Mr. Carbone and Mr. Gray as our computer wizards. My job was to build a TEAM; so...hire the right person, give guidance, keep people from changing their priorities and for the most part, check on them often but stay out of their way; let them do what they were hired to do. There were several others that were on this team; however, space in the Newsletter prohibits listing all. BLUF: The current staff... you'd be very proud of their loyalty, knowledge, ability to get along and drive!

I was the XO/Deputy for most of the USAMU Commanders and there were truly some all-stars that held that billet. You know who you are and thank you.

I was diagnosed with the first of my cancers in August 2012 with my 6th recurrence in late 2023. During that time, I had 238 radiation and 117 chemotherapy treatments: so... time to retire. I hope the good things we accomplished and the people that were impacted in a positive way, will outweigh the stupid things I was responsible for. My goal for the last 33 years was to support the Commander with a TEAM to increase his ability to execute the unit mission; WIN, which is the bedrock of our existence. Winning helps RECRUITING. Winning causes USAMU Soldiers to be sought out to conduct Firearms and ammunition RESEARCH AND DEVELOPMENT and INSTRUCT other Soldiers how to shoot and have confidence in their abilities before deployment. My new goal is to beat this 6th cancer allowing me to attend the next MMA/USAMU reunion in a couple of years. Hope to see you there.

Continued from page 1

Shot 43 brought Maddalena into the final three competitors, ensuring an Olympic medal. At that moment, she had 443.0 points while Zhang was in second with a .2 point lead and Leone was first with .9 point lead.

After two more shots, Maddalena secured the Silver Medal over China with 463.0 points while Switzerland claimed the Gold.

This was not the first Olympics for Maddalena. She competed in the three-position rifle, or smallbore, at the 2020 Tokyo Olympics placing fifth.
